MS. NANCY J. BURNS was recently awarded honorary membership in the Association of Graduates of the United States Air Force Academy in recognition of her longstanding, continuous and dedicated service to the United States Air Force, the Air Force Academy, and the Association of Graduates.

During her ongoing 39 years of service at the Air Force Academy, Ms. Burns has been instrumental in fostering strong and lasting ties with friends of the Academy from around the nation and in the local community.

She has been the principal liaison between the Academy and the Association of Graduates while holding key positions within the Directorate of Protocol, Directorate of Plans and Programs, and most recently as Chief of Development and Alumni Programs in the Directorate of Communications.

Her exceptional organizational and personal skills, support for the Academy and its cadets, and the AOG make her clearly deserving of Honorary Membership in the Association of Graduates.
